Assembly

Sew the head to the body but before fully closing add a little more stuffing to make the neck sturdy.

Feet are sewn over rounds 5 - 8 of the body with 5sts between each foot over round 7.

Arms are sewn over rounds 12 -14 of the body at each side.

Place icing over the top of the head and secure each icing drip in place with pins.

With yarn tail and needle, weave through round 4 of the icing and into the head to secure it in place. Once you have completed this, stitch down each icing drip by going into a st in the head close to the tip of each drip and into the icing and back again. Do this for each drip, all the way around the head. Fasten off and weave in ends.

(Use images provided to help guide you.)

Ears - pinch the end together and with needle and yarn tail go through both sts on each side twice to secure and keep pinched in place. Don't fasten off. Pin left ear over rounds 3-4 and right ear over round 2-3. Sew in place. Fasten off and weave in end.

(Use images provided to guide you.)

Sew tail over rounds 6-8 at the back of the body. Make sure it is centered. Fasten off and weave in ends.

Sew the holly leaves in front of the left ear over 2 sts each. Make sure they are side by side. Fasten off and weave in ends.

Pin the berries in front of the holly and in the centre. Sew into place.

With pink, add a little nose to the face inbetween the eyes. (Use image to guide you.)

With black, add vertical stitches to the body as the fruit detail of the pudding outfit
