## You will need

- Any DK yarn in Green, Pink and White

## Notes

The Melonosaurus is made in the round with RS facing throughout. Each round is closed with a slip stitch and the following round starts with a chain. Your first dc in each round is made in the same stitch as the previous slip stitch. Slip stitches and chains do not count as stitches. Once finished the Melonosaurus is sewn on to the Granny Square.

Pattern is written in UK terminology.
