| Finished Measurements (Approx):<br>38ins x 38ins (96.5cm x 96.5cm)                                                                                                                     |   |       |

Please note that the limitations of the printing process mean the actual colour will not always precisely match the colours shown in the photograph.

## IMPORTANT

Use only the Yarnsmiths yarn specified. We cannot accept responsibility for an imperfect item if any other brand is used. It is essential to work to the tension stated. The quantities of yarn stated are based on average requirements and are therefore approximate.

## ABBREVIATIONS (UK)

**Ch** - Chain;

**Slst**- Slip stitch;

**St** - Stitch;

**Sp**- Space

**Tr** - Treble crochet;

**()** - Instructions to be repeated.

## BLANKET

### First Square

Ch 4 and Slst into the first ch to form a ring.

### Round 1

Working into the centre of the ring. Ch2 (counts as first Tr), 2Tr into the ring. Ch1. 3Tr into the ring, Ch1. Repeat from \* twice more.

You should now have 4 groups of 3 Tr and 4 ch1 corner spaces.

Slst into the top of the beginning Ch2 to join.

### Round 2

Slst across the next 2 Sts to reach the first Ch1 corner space. Ch2 (counts as first Tr), 2Tr into the same space, \*Ch2, 3Tr into the same space (corner made), Ch1. (3Tr, Ch 2, 3Tr) into the next corner space, Ch1. Repeat from \* around. Slst into the top of the beginning Ch2 to join.

### Round 3

Slst across the next 2 Sts to reach the first corner space. Ch2 (counts as first Tr), 2Tr into the same space, Ch2, 3Tr into the same space (corner made), \*Ch1, 3Tr into the next Ch1 space, Ch1. (3Tr, Ch2, 3Tr) into the next corner space, Ch1, 3Tr into the next Ch1 space, Ch1. Repeat from \* around. Slst into the top of the beginning Ch2 to join.

### Round 4

Slst across the next 2 Sts to reach the first corner space. Ch2 (counts as first Tr), 2Tr into the same space, Ch2, 3Tr into the same space (corner made), \*Ch1. 3Tr into each of the next 2 Ch1 spaces, Ch1 after each group. (3Tr, Ch2, 3Tr) into the next corner space, Ch1, 3Tr into each of the next 2 Ch1 spaces, Ch1 after each group. Repeat from \* around.

Slst into the top of the beginning Ch2 to join and fasten off.

Your first square is now complete!

## Join As You Go. (JAYG)

The blanket is constructed using the Join As You Go (JAYG) method. The first square is worked independently, and each square is then joined to the blanket as the final round is worked. If you would prefer to make your squares then join in your preferred method, then you can do this also.

### Second Square

Work as for the First Square up to the end of Round 3. You will be joining this square to the first square.

### Round 4

Slst across the next 2Sts to reach the first corner space. Ch2 (counts as first Tr), 2Tr into the same space, Ch 2, 3Tr into the same space, Ch1. 3Tr, Ch1 into each of the next 2Ch1 spaces, until you reach your next corner join.

### Corner Join

In the next corner space work 3Tr, Ch1, Slst into joining corner space of Square 1, Ch 1, 3Tr into the same corner space of your second square. The corner join is now complete!

### Side Join

For the side being joined, replace each Ch1 space with a Slst into the corresponding Ch1 space of Square 1.

Slst into the next Ch1 space of Square 1, 3Tr into the next Ch1 space of the current square. Repeat across the side to the next corner.

### Next Corner Join

In the corner space work 3Tr, Ch1, Slst into the corresponding corner space of Square 1, Ch1, 3Tr into the same corner space.

Work the remaining sides and corners as normal.

Slst into the top of the beginning Ch2 to join and fasten off.

### Joining a Square to the Side and Below

When joining a square that sits beside and above existing squares, work as for the Second Square until **Round 4**.

Work your Round as you have done previously, up until the first Corner Space.

### First Corner Join

In the corner space work 3Tr, ch1, slst into the corresponding corner space of the side square, ch1, 3Tr into the same corner space.

### First Side Join

For the side being joined, replace each Ch1 space with a Slst into the corresponding Ch1 space of the side square. Slst into the next Ch1 space of the side square, 3Tr into the next ch1 space of the current square.

Repeat to the next corner.

### Second Corner Join (Square Below)

In the corner space work 3Tr, Ch1, Slst into the corresponding corner space of the square below, Ch1, 3Tr into the same corner space.

### Second Side Join

For the side being joined, replace each Ch1 space with a slst into the corresponding Ch1 space of the square below.

Slst into the next Ch1 space of the square below, 3Tr into the next Ch1 space of the current square. Repeat to the next corner.

Work the remaining sides and corners as normal.

Slst into the top of the beginning Ch2 to join and fasten off.

Continue joining your squares in this way until your blanket is complete.

Our blanket has 9 squares × 9 squares.

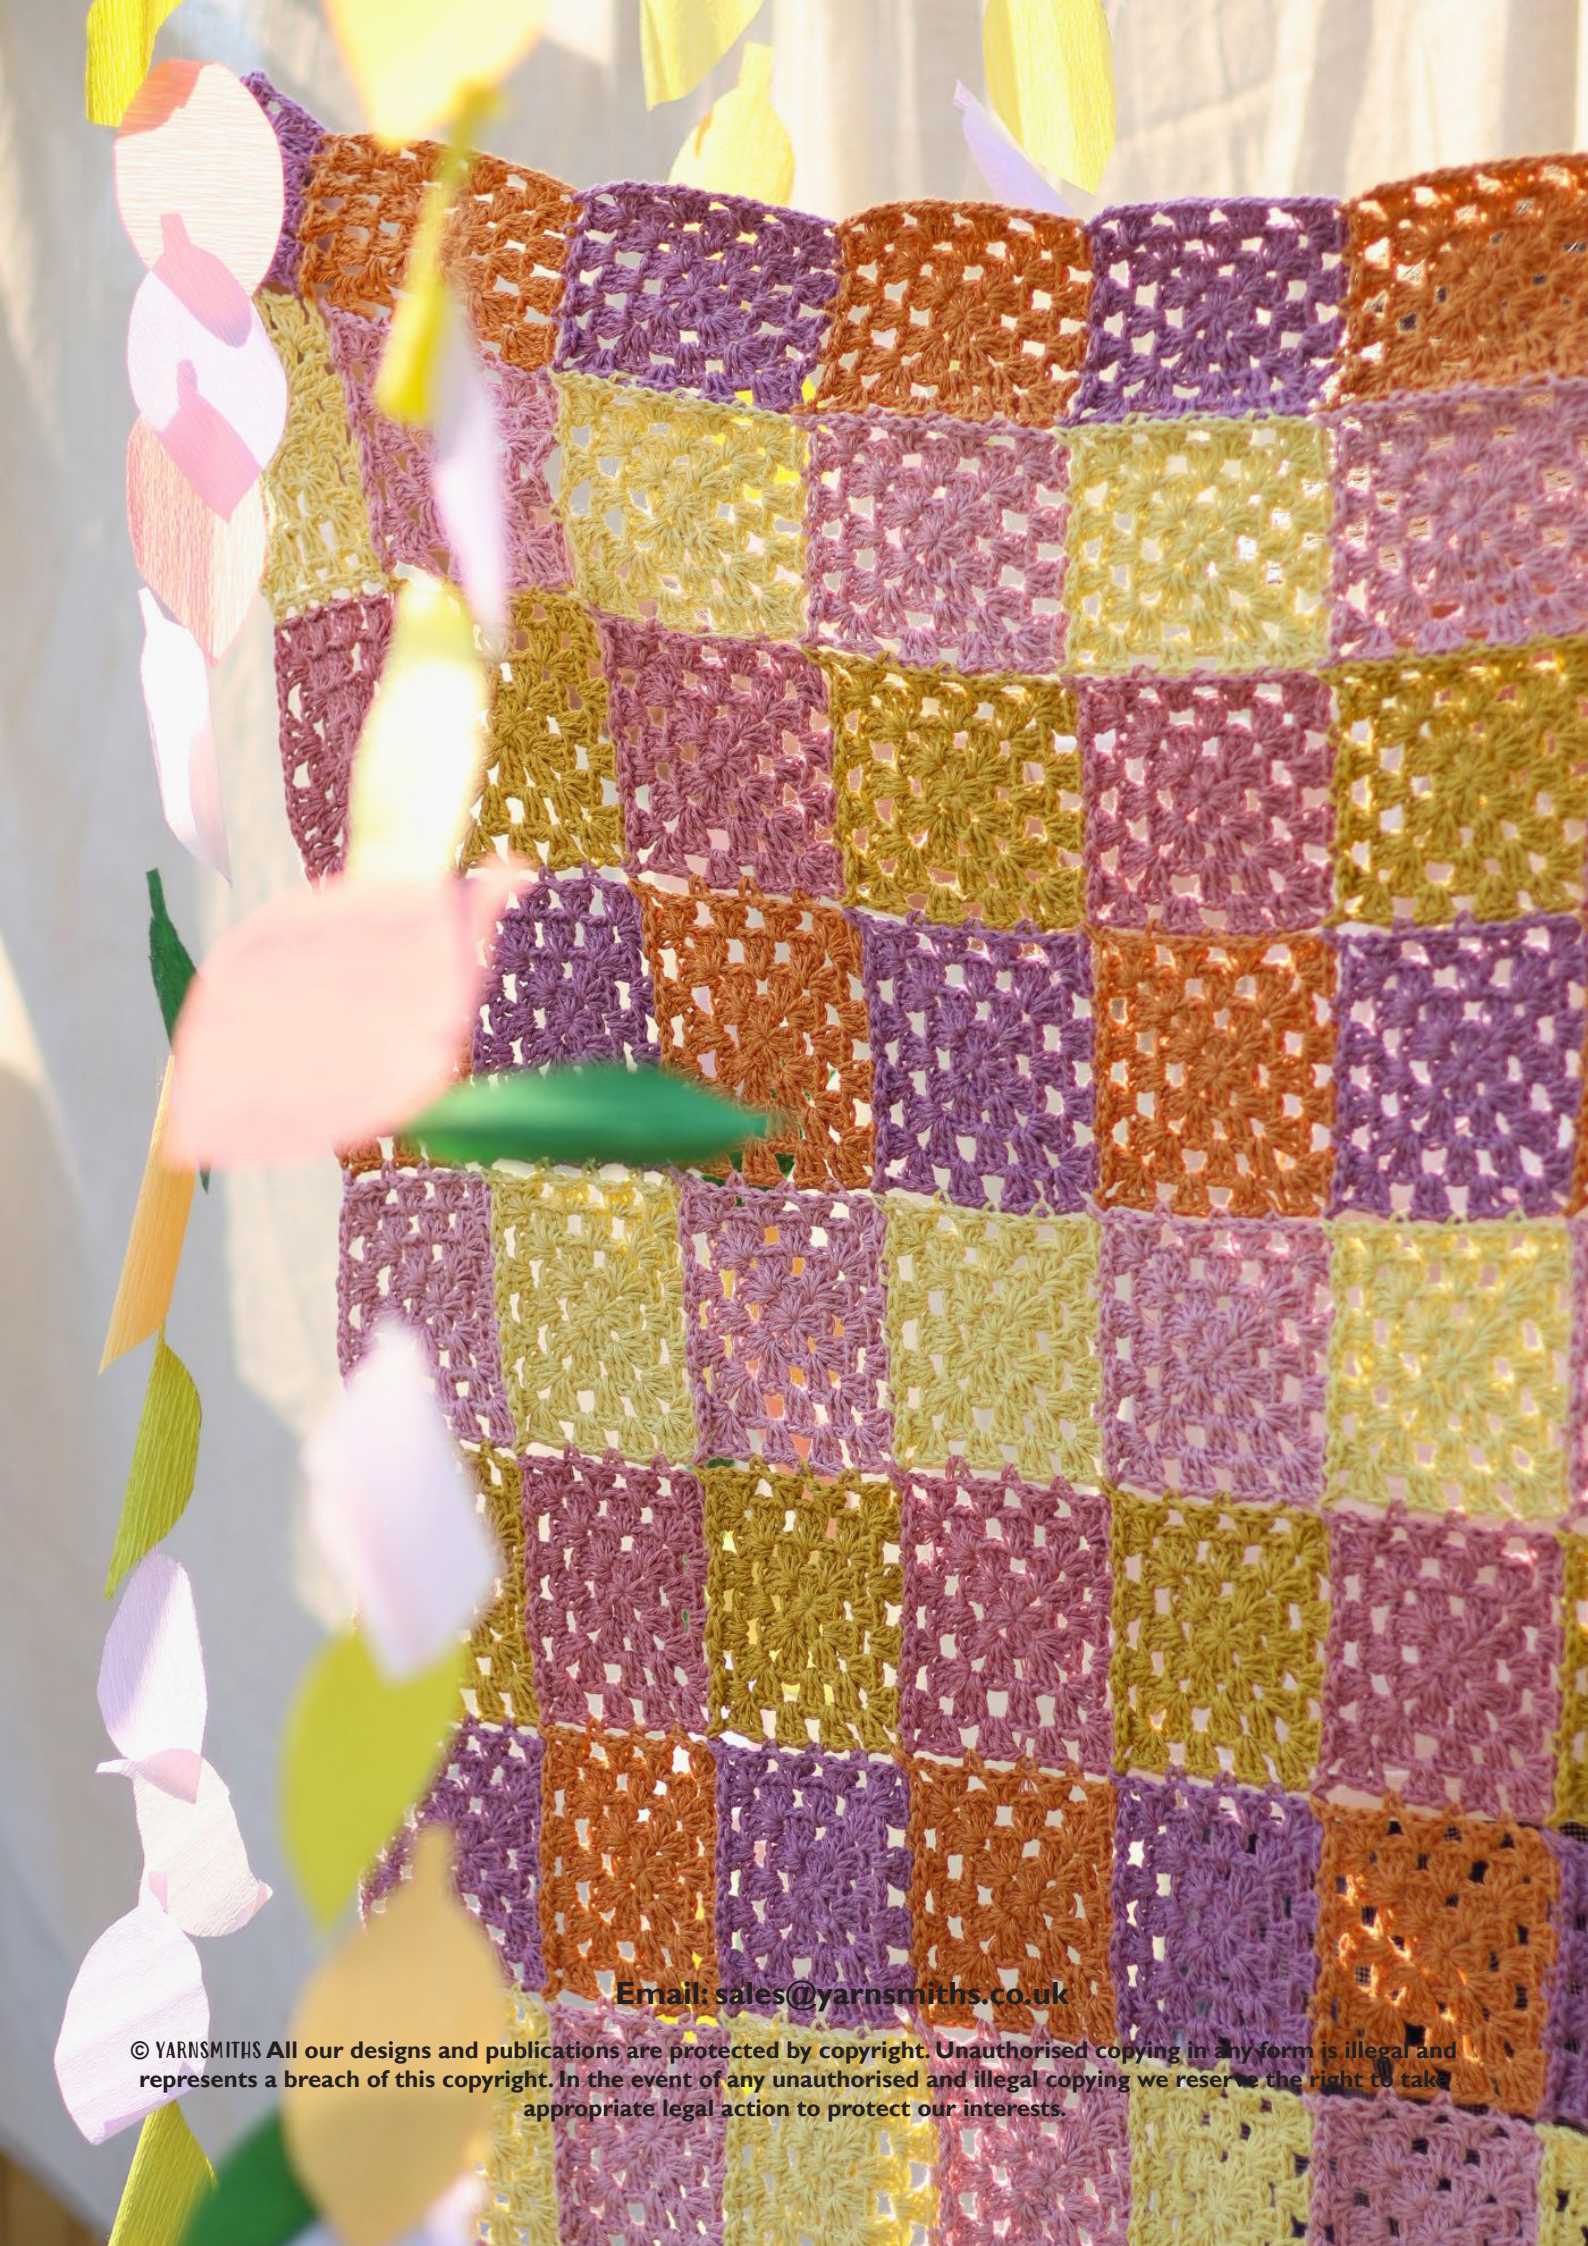

You have now finished your Summer Meadow Blanket!
