PATTERN NOTES
The Back panel is worked from the bottom up in the ridge pattern, with garter stitch at the hem and shaping for the armholes and shoulders, leaving stiches on a holder for the collar.
Each Front panel is then worked from the bottom up in the ridge pattern, with garter stitch at the hem and options given for buttonholes on the left-hand or right-hand side (traditionally boy's and girl's placement respectively). Shaping is then worked for the shoulders, with stiches being left on holders for the collar.
Sleeves are then worked alike in stocking stitch, with garter stitch cuffs, increases and shaping.
The shoulder seams are then joined and the Collar worked from the held stitches. Finally, the side and Sleeve seams are joined, and the Sleeves are inserted into the body. Buttons are sewn on to finish.

Instructions are given for the smallest size first, followed by the larger sizes in round brackets. Where only one figure is given, this applies to all sizes.
